CAREER CHOICES FOR ELECTRICAL TRADES

Make a connection... Choose a career that interests you!

1. Agricultural Electrician
2. Appliance Electrician
3. Automotive Technology
4. Back-up Power Generation
5. Bucket Truck Operation
6. Building Automation Technician
7. Cable Plowing & Trenching
8. Commercial Electrician
9. Communications/Data Cabling Technician
10. Computer Fiber Optic Technician
11. Construction and Building Inspectors
12. Crane Service Operator
13. Data-network Systems
14. Electrical Designer
15. Electrical Drafter
16. Electrical Engineer
17. Electrical Inspector
18. Electric Space Heating
19. Electric Vehicle Installer
20. Electronics Technician
21. Energy Maintenance
22. Estimator
23. Fiber Optics Installations
24. Grain Elevator Technician
25. Hazardous (Classified) Locations
26. Highway Systems Electrician
27. High Voltage Construction/Overhead & Underground
28. Home Automation Systems
29. Home Entertainment Equipment Installer
30. Hospital Electrician
31. Heating Ventilation Air Conditioning (HVAC)
32. Industrial Maintenance Electrician
33. Industrial Auto/PLC
34. Institutional Schools
35. Irrigation Systems
36. Journeymen Electrician
37. Landscape Lighting
38. Lighting Maintenance
39. Lighting Retrofit Specialist
40. Low Voltage -- Fire Alarms
41. Low Voltage -- Nurse Call
42. Low Voltage -- Security/ Alarm Systems
43. Machine Repair and Rewind Electrician
44. Maintenance Electrician
45. Master Electrician
46. Mobile Home Park Wiring
47. Motor Control Specialist
48. Motor Rewinding Specialist
49. Photovoltaic Systems Installers
50. Plant Electrician
51. Power Boring Manager
52. Power Limited Technician
53. Power Lineman
54. Photovoltaic Systems
55. Power Quality Analyzing Manager
56. Programmable Logic Controller
57. Project Manager
58. Renewable Energy Project Manager
59. Renewable Technology Specialist
60. Residential Electrician
61. Roadway Boring Worker
62. Satellite Technician
63. Service Electrician
64. Sign-High Voltage Wiring
65. Sign Maintenance
66. Signaling Maintenance & Repair
67. Solar Photo Systems Commercial Installers
68. Solar Photo Systems Residential Installers
69. Sound Systems
70. Sports Arena-Field Lighting
71. Street Lighting
72. Swimming Pools Lighting
73. Transformer Installer
74. Telephone Installers
75. Trenching Worker
76. Underground Repairman
77. Utility Workman
78. Solar Maintenance Technician
79. Wind Turbine Installer

And the list goes on....

Make a choice now and if you don't like it later change to something else.

There are so many possibilities you can choose from.
